

- UHMW Tivar 88 and Ramex Titanium Sheet
- All Virgin Polymers Including High Density and Low Density Polyethylene Sheets
- Nylon Solid Stock for Fabrication of Bearings and Alignment Products
- Broad Range of Plastic Sheet, Rod, Tube, Tubing and Film

- Wire Screen Deck Service
- Sizing Equipment
- Screen Deck Products

- Filter Carts
- Elements
- Filtration Systems
- Breather Kits

- Solutions for Oil & Gas, Petrochemical & Refinery, Industry & Environmental
- Mechanical Construction Services: Welding, Machining, Fabrication & Metrology Services
- EPC, Design-Assist, Owner's Engineering & Construction Management
- Plant Outage & Maintenance Services, Instrumentation & Control, Cyber & Perimeter Security, Process Safety

- World class manufacture Plate and Frame Heat Exchangers and Temp-Plate heat transfer surface products designed to provide you worry-free, highly efficient heat transfer solutions
- Accu-Therm - Plate and frame heat exchangers
- Temp-Plate - Inflated heat transfer surface
- PlateCoil, Pillow Plate, EconoCoil, Free Flow, Heat Recovery Banks, Plate and Frame Services, ect.

- Factory-certified repair centers located throughout North America
- Maintenance and repair for Hansen Industrial Gearboxes and enclosed gear drives of other brands
- Application Upgrades
- Technical and Maintenance Expertise
- Field Service

- Fabrication of boiler components, pressure parts, and pressure vessels from engineering through final assembly
- Industries served include: OEMs, Utilities, Non-Utilities, Cogeneration Facilities, Waste to Energy, Pulp & Paper Mills, Marine, Petrochemical, Sugar, and Construction
- All boiler parts are fully engineered, fabricated, tested and stamped in accordance with ASME, Section I, IV, or VIII

- Medium & High Voltage Industrial AC Induction Motors
- Reverse Engineered AC Induction Motors - "Drop in Replacements"
- Multi-Level Medium Voltage Drives

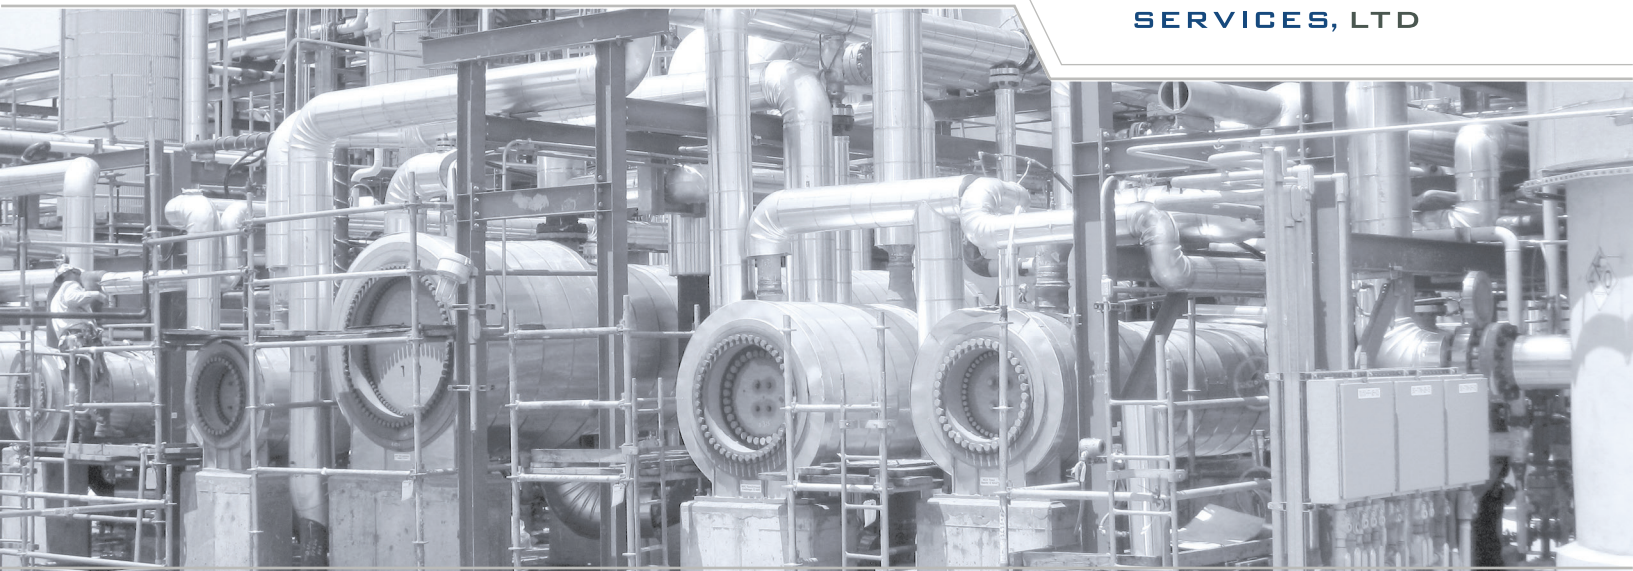

- Supplier to Industrial, Mining, Locomotive, and Transit Markets-Procen performance since 1920
- Gearboxes - Authorized source for Ljungstrom Air Preheaters-Manufacturer of new gearboxes, rebuilder of used gearboxes, repairs, and parts support

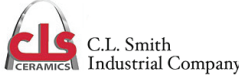

- Full-service system provider for products including, Thermal Oxidizers System, Wet Electrostatic Precipitator System (wet ESP/WESP), & Acid Gas Wet Scrubber System.
- Specialize in aftermarket solutions to optimize exsiting technologies and system installations.

"Creating Economic Solutions"

"We are here to keep your Business in Business"

	<ul style="list-style-type: none"> Field thermal spray coating applications in boilers, pressure vessels, tanks, ID Fans, SDA's Field sandblasting of boilers, penthouses, back pass, pressure vessels, tanks Mechanical Services Shop coatings of boiler tube panels, single tubes, wear plates, pump parts, plunger rods, ID fan blades
	<ul style="list-style-type: none"> Chimney & Silo Stack Repair Tanks & Vessels Heavy Structures Fire Proofing Pipe Rehabilitation Concrete Repair Corrosion Control Water Proofing
